PROCESS

Based on the public input phase that engaged more than 1,200 Iowans and analysis from Wastyn & Associates conducted in 2021, the DCA has updated the department’s foundation statements - including our vision, priorities, values and goals - which forms the framework for our new 2022 - 2026 Strategic Plan.

The department’s new strategic plan framework will create the foundation for each division to then form plans of action/operational plans that outline key goals, objectives and key performance indicators, along with the people, resources and actions needed to accomplish them. This work began in early 2022.

The department’s efforts support Governor Kim Reynolds’ 2022 Priorities by building culturally vibrant communities and fostering creativity to become a catalyst for innovation.
