

Grantseeking for Organizations

Raising money to fund your organization's creative work can be a daunting task. This toolkit includes tools you can use to gain an introduction into the world of grant seeking to support your art programs.

Tools

- **[Grantseeking for Organizations in the Arts](#)**
Information on how to prepare for a funding search and application process that may support art programming presented by the Foundation Center
- **[Conversations on Capitalization and Community](#)**
Discussion of what it means to be well-capitalized and how to achieve financial health and vibrancy in the local marketplace presented by Grantmakers in the Arts and Rebecca Thomas
- **[Foundation Directory Online](#)**
Database of foundations that provide grants
