

Rural Arts Development

The arts play an important role in creating great places to live and work. This toolkit includes tools you can use to strengthen the quality of life in your rural community through the arts

Tools

- **[Art of the Rural](#)**
Platform for building the field of rural arts and contributing to the emerging rural arts and culture movement
- **[Rural Arts and Culture Summit](#)**
Gathering to learn about and celebrate the creative thinking that has helped create vibrant small town cultures
