701—42.54 (404A,422) Historic preservation and cultural and entertainment district tax credit for projects with Part 2 applications approved on or after July 1, 2014, and agreements entered into on or after July 1, 2014. The department of cultural affairs is authorized by the general assembly to award tax credits for a percentage of the qualified rehabilitation expenditures on a qualified rehabilitation project as described in the historic preservation and cultural and entertainment district tax credit program, Iowa Code chapter 404A. The program is administered by the department of cultural affairs with the assistance of the department of revenue. The general assembly has mandated that the department of cultural affairs and the department of revenue adopt rules to jointly administer Iowa Code chapter 404A. In general, the department of cultural affairs is responsible for evaluating whether projects comply with the prescribed standards for rehabilitation while the department of revenue is responsible for evaluating whether projects comply with the tax aspects of the program.

2014 Iowa Acts, House File 2453, amended the historic preservation and cultural and entertainment district tax credit program effective July 1, 2014. The department of revenue’s provisions for projects with Part 2 applications approved and tax credits reserved prior to July 1, 2014, are found in rule 701—42.19(404A,422). The department of revenue’s provisions for projects with Part 2 applications approved on or after July 1, 2014, and with agreements entered into on or after July 1, 2014, are found in this rule. The department of cultural affairs’ rules related to this program may be found at 223—Chapter 48. Division I of 223—Chapter 48 applies to projects with tax credit reservations approved prior to July 1, 2014. Division II of 223—Chapter 48 applies to projects with Part 2 applications approved on or after July 1, 2014, and agreements entered into on or after July 1, 2014.

Notwithstanding anything contained herein to the contrary, the department of cultural affairs shall not reserve tax credits under 2013 Iowa Code chapter 404A as amended by 2013 Iowa Acts, chapter 112, section 1, for applicants that do not have an approved Part 2 application and a tax credit reservation on or before June 30, 2014. Projects with approved Part 2 applications and provisional tax credit reservations on or before June 30, 2014, shall be governed by 2013 Iowa Code chapter 404A as amended by 2013 Iowa Acts, chapter 112, section 1; by 223—Chapter 48, Division I; and by rule 701—42.19(404A,422). Projects for which Part 2 applications were approved and agreements entered into after June 30, 2014, shall be governed by 2014 Iowa Acts, House File 2453; by 223—Chapter 48, Division II; and by this rule.

42.54(1) Application, registration, and agreement for the historic preservation and cultural and entertainment district tax credit. Taxpayers that want to claim an income tax credit for completing a qualified rehabilitation project must submit an application for approval of the project. The application forms and instructions for the historic preservation and cultural and entertainment district tax credit are available on the department of cultural affairs’ Web site. Once a project is registered, the taxpayer must enter into an agreement with the department of cultural affairs to be eligible for the credit.

42.54(2) Computation of the amount of the historic preservation and cultural and entertainment district tax credit. The amount of the historic preservation and cultural and entertainment district tax credit is a maximum of 25 percent of the qualified rehabilitation expenditures verified by the department of cultural affairs and the department of revenue following project completion, up to the amount specified in the agreement between the taxpayer and the department of cultural affairs.

42.54(3) Qualified rehabilitation expenditures. “Qualified rehabilitation expenditures” means the same as defined in rule 223—48.22(404A) of the historical division of the department of cultural affairs. In general, the department of cultural affairs evaluates whether expenditures comply with the prescribed standards for rehabilitation while the department of revenue evaluates whether expenditures comply with the tax requirements to be considered qualified rehabilitation expenditures, including whether the expenditures are in accordance with the requirements of Internal Revenue Code Section 47 and its related regulations.

a. Type of property and services eligible. In accordance with Iowa Code section 404A.1(6), the types of property and services claimed for the state tax credit must be “qualified rehabilitation expenditures” in accordance with Internal Revenue Code Section 47. Notwithstanding the foregoing sentence, expenditures incurred by an eligible taxpayer that is a nonprofit organization as defined in
Iowa Code section 404A.1(4) shall be considered “qualified rehabilitation expenditures” if they are for “structural components,” as that term is defined in Treasury Regulation § 1.48-1(e)(2), and for amounts incurred for architectural and engineering fees, site survey fees, legal expenses, insurance premiums, development fees and other construction-related costs.

b. Effect of financing sources on eligibility of expenditures. Qualified rehabilitation expenditures do not include expenditures financed by federal, state, or local government grants or forgivable loans unless otherwise allowed under Section 47 of the Internal Revenue Code. For an eligible taxpayer that is a nonprofit organization as defined in Iowa Code section 404A.1(4) that is not eligible for the federal rehabilitation credit, or another person that is not eligible for the federal rehabilitation credit, expenditures financed with federal, state, or local government grants or forgivable loans are not qualified rehabilitation expenditures.

42.54(4) Completion of the qualified rehabilitation project and claiming the tax credit on the Iowa return. After the taxpayer completes a qualified rehabilitation project, the taxpayer will be issued a certificate of completion of the project from the department of cultural affairs if the project complies with the federal standards, as defined in rule 223—48.22(404A). After the department of cultural affairs and the department of revenue verify the taxpayer’s eligibility for the tax credit, the department of cultural affairs shall issue a tax credit certificate. For the taxpayer to claim the credit, the certificate must be included with the taxpayer’s income tax return for the tax year in which the rehabilitation project is completed or the year in which the certificate is issued, whichever is later.

a. Information required. The tax credit certificate shall include the taxpayer’s name, the taxpayer’s address, the taxpayer’s tax identification number, the address or location of the rehabilitation project, the date the project was completed and the amount of the historic preservation and cultural and entertainment district tax credit. In addition, the tax credit certificate shall include a place for the name and tax identification number of a transferee and the amount of the tax credit being transferred,ug in subrule 42.54(5). In addition, if the taxpayer is a partnership, limited liability company, estate or trust, and the tax credit is allocated to the owners or beneficiaries of the entity, a list of the owners or beneficiaries and the amount of credit allocated to each owner or beneficiary shall be provided with the certificate. The tax credit certificate shall be included with the income tax return for the period in which the project was completed or in which the certificate is issued, whichever is later.

b. Refund or carryforward. Any historic preservation and cultural and entertainment district tax credit in excess of the taxpayer’s tax liability is fully refundable with interest computed under Iowa Code section 422.25. In lieu of claiming the refund, the taxpayer may elect to have the overpayment credited to the tax liability for the following tax year.

c. Allocation of historic preservation and cultural and entertainment district tax credits to the individual owners of the entity. A partnership, limited liability company or S corporation may designate the amount of the tax credit to be allocated to each partner, member or shareholder. The credit does not have to be allocated based on the pro rata share of earnings of the partnership, limited liability company or S corporation.

42.54(5) Transfer of the historic preservation and cultural and entertainment district tax credit. The historic preservation and cultural and entertainment district tax credit certificates may be transferred to any person or entity. The transferee may use the amount of the tax credit transferred against the taxes imposed in Iowa Code chapter 422, divisions II, III, and V, and in Iowa Code chapter 432, for any tax year the original transferor could have claimed the tax credit. Any credit in excess of the transferee’s tax liability is not refundable. A tax credit certificate of less than $1,000 shall not be transferable.

a. Transfer process—information required. Within 90 days of transfer of the tax credit certificate, the transferee must submit the transferred tax credit certificate to the department of revenue along with a statement that contains the transferee’s name, address and tax identification number, the amount of the tax credit being transferred, the amount of all consideration provided in exchange for the tax credit and the names of recipients of any consideration provided in exchange for the tax credit. If a payment of money was any part of the consideration provided in exchange for the tax credit, the transferee shall list the amount of the payment of money in its statement to the department of revenue. If any part of the consideration provided in exchange for the tax credit included nonmonetary consideration, including
but not limited to any promise, representation, performance, discharge of debt or nonmonetary rights or property, the tax credit transferee shall describe the nature of the nonmonetary consideration and disclose any value the transferor and transferee assigned to the nonmonetary consideration. The tax credit transferee must indicate on its statement to the department of revenue if no consideration was provided in exchange for the tax credit. Within 30 days of receiving the transferred tax credit certificate and the statement from the transferee, the department of revenue will issue the replacement tax credit certificate to the transferee. If the transferee is a partnership, limited liability company or S corporation, the transferee shall provide a list of the partners, members or shareholders and information on how the historic preservation and cultural and entertainment district tax credit should be divided among the partners, members or shareholders. The transferee shall also provide the tax identification numbers and addresses of the partners, members or shareholders. The certificate must have the same information required for the original tax certificate and must have the same expiration date as the original tax credit certificate. The transferee may not claim a tax credit until a replacement certificate identifying the transferee as the proper holder has been issued.

b. Consideration. Any consideration received for the transfer of the tax credit shall not be included in Iowa taxable income for individual income, corporation income or franchise tax purposes. Any consideration paid for the transfer of the tax credit shall not be deducted from Iowa taxable income for individual income, corporation income or franchise tax purposes.

42.54(6) Appeals. Challenges to an action by the department of revenue related to tax credit transfers, the claiming of tax credits, tax credit revocation, or repayment or recovery of tax credits must be brought pursuant to 701—Chapter 7.

This rule is intended to implement Iowa Code chapter 404A as amended by 2014 Iowa Acts, House File 2453, and Iowa Code section 422.11D.
