

Iowa Great Places Endorsed and/or Funded Projects 2022

The Iowa Great Places Citizen Advisory Board annually reviews and endorses projects taking place as part of an Iowa Great Place community's vision. Endorsed projects are eligible to receive scoring increases from other State of Iowa programs. Interested applicants to other State of Iowa programs should review this list to see if their project qualifies for Iowa Great Places scoring increases.

Eligible Endorsement Period	Designated Great Place	Project Title	City	County	Grant Award	Project Description
July 1, 2022 – June 30, 2025	City of Manning (2019)	Art is Refreshing Murals and Art Themed Events	Manning	Carroll	\$0	This project endorsement will focus on mural components of the Art is Refreshing Project which include public art in key places to enhance the visual identity of the community to visitors and residents, and to encourage more interaction with downtown, parks, and community which include several mural installations and art-themed events
October 16, 2021 – December 31, 2024	City of Charles City (2019)	Relocation and Renovation of the Historic Railroad Depot	Charles City	Floyd	\$150,000	This project will renovate a 107-year-old historic railroad depot following its relocation to a new site. The renovated depot will serve as a trailhead for the Charley Western Trailway, a venue for meetings and a gateway to a future railroad museum.
October 16, 2021 - December 31, 2024	Clive Greenbelt (2019)	Greenbelt Landing	Clive	Polk	\$75,000	Part of the multiphase project which includes the construction of a wetland walkway, renovation of a community center, the Clive Greenbelt will be enhanced by new artwork, an outdoor performance space and landmarks that reference the city's past – all along the recreational trail that connects to other amenities and a historic waterway.
October 16, 2021 - December 31, 2024	City of Lake View (2019)	Lake View Community Center	Lake View	Sac	\$250,000	Project funding will build a new community center to replace a beloved historic ballroom that closed almost 20 years ago. Community leaders envision a venue for social and business functions, as well as a flourishing cultural hub through a partnership with the Lake View

						Arts Council.
